Technical Delegate's Report

After the race of the Australian GP, car number 04 was randomly chosen among the top ten cars for more extensive physical inspections.

Subject to these physical inspections were:

- clutch torque sensor, conditioning unit, shaft, shaft support, surrounding parts, wiring
- clutch mechanical assembly
- clutch sensors and connection to SECU

All inspected components were found to be in conformance with the 2024 Formula One Technical Regulations.

Jo Bauer

The FIA Formula One Technical Delegate
